

Four Seasons Neighborhood Association

Dear Four Seasons neighbor,

Association dues for 2012, for both current and new members, are due by February 20, 2012, for the entire year. ***The sooner you pay your dues, the more money you will save*. Complete the attached form to join or to renew your membership.***

Since 2006, when the association was formed, Four Seasons Neighborhood Association (FSNA) has made progress in several areas. Among them:

- Through the board's negotiations with Waste Management, FSNA members now enjoy a lower cost for trash pickup, saving up to \$84.60* annually per household. The sooner you pay your annual dues, the sooner your discount takes effect. Bring any questions to the next FSNA meeting. (*See when and where below.*)
- The association has added eight new street lights, bringing the total to 36, with more locations selected and ready as funds become available. FSNA now pays LG&E for the cost to operate these lights that help make our neighborhood a safer place to live. (In the past years, individual residents or groups of residents paid for the cost of operation.)
- Traffic lines that were painted onto Hurstbourne Parkway at the Raintree intersection were at the association's request. The goal was to discourage blocking this intersection and to make a safer entry onto Hurstbourne.

Other goals are in the works. We need your help as we strive to:

- Form neighborhood block watches
- Continue to implement crime prevention measures
- Identify and monitor traffic concerns
- Work together to control litter
- Organize neighborhood activities and social events

What goals do you have for your association? We want to hear from you.

All Four Seasons residents are invited and encouraged to participate in the next general meeting on January 19, 2012, at 7 p.m. at Hunsinger Lane Baptist Church. Come and enjoy a light snack, meet your neighbors; hear what's happening in your neighborhood, and with your association. Discover how you can make a difference in your community and turn goals into reality.

Sincerely,

Les Allen, Chairperson, FSNA

Count me in!
