Neighborhood Association Meeting Date

May 16, 2023 at 7PM at Heine Brothers, Hikes Point. All Four Season neighbors are invited.

Waste Management

WM has converted trash and recycling pick-up to side loading trucks, with a grapple to lift and dump the WM totes, this makes it easier on the employees loading the trucks, and it requires one person to do the pick-up. Trash and recycling need to be in the WM provided tote with lid closed. Bags of trash, boxes etc. left outside of the tote will not be picked up. Tote needs to be placed on near the edge of the street at least 4 feet away from any objects such as a mailbox. If you need an extra tote, you may order on for a small fee.

Trash is picked up each Wednesday.

Recycling is picked up every other Friday.

Yard waste is picked up every other Tuesday, use your own container, or yard waste bags.

Short Term Rentals

Short-term rentals such as VRBO and Airbnb are not allowed in Four Seasons and other areas of Louisville without a Conditional Use Permit, CPU. There are strict guidelines on Metro Louisville website regarding this. There seems to be a lot of interest in this lately all over the city. If you are considering doing a short-term rental, consult the requirements on Metro website and apply for a CPU. There is currently only one property in Four Seasons: 2703 Summerfield Drive and two in the process at 7901 Sunbury Drive and 7610 Tempsclair Road. Metro Louisville has received complaints about short term rentals operating without a CUP and fines are expensive.
